Introduction

1. Background

Globally, higher education systems are actively developing and implementing learning outcomes initiatives in accountability and quality assurance frameworks. Well defined objectives of teaching and learning quality are perceived to be beneficial in a number of ways. They will provide clear understanding of educational value to students, employers, and other stakeholders at-large. They are also expected to enhance institutional and programmatic improvement in monitoring, curriculum development, and teaching/learning practices. Well defined out comes and structured processes offer better control of educational quality, what has been considered intangible in the world of quality assurance and accountability. Over and above, these policy guidelines will help harmonize/align NUST quality policy with National and International standards and best practices.

1.1 Vision

To employ best quality assurance measures to ensure highest quality of education and research at NUST, compatible and competitive with international standards.

1.2 Mission

To strive for achievement of the highest possible international standards of education and research at NUST by:

- a) Developing / implementing QA Policies and regulating procedures
- b) Assessing / auditing the processes, and
- c) Suggesting measures for improvement in attitude and culture
- d) Internationalization of the NUST

1.3 Objectives/Tasks:

Main objectives of QA policy are as follows:

- a) Implementation of Quality Assurance Framework prescribed by Higher Education Commission of Pakistan, and make it compliant with relevant accreditation bodies.
- b) To establish an effective system of Self-Assessment at all Higher Education Institutions (HEIs) of NUST and affiliated for all approved programs with the purpose of Quality Enhancement.
- c) Developing procedures and ensuring that all HEIs are implementing these through Internal Quality Audits.
- d) Assuring that university programs meet the requirements of HEC and the councils for accreditation.
- e) Ensuring improvement of the quality of teaching, research publications and related students / staff support services through internal audits.
- f) Suggesting measures for capacity building of faculty / staff involved in quality assurance measures.
- g) Collection / provision of university statistics / data for university ranking by national / international agencies.
- h) Formulating and implementing policies which provide an environment that attracts and nurtures high quality original scientific research publications output.
- i) Encouraging, facilitating and financially supporting our faculty, students and researchers for presentation and publication of their scientific work at national and international forums.
- j) Implementing plagiarism policies in order to save guard against plagiarism and eradicate plagiarism from our scholarly work.
- k) Facilitating and guiding researchers to follow research ethics and use of “TURNITIN” in order to maintain academic integrity and quality in the scientific publications.

1.4 Basic Principle of Quality Assurance (QA) Policy:

QA policy of NUST is having a holistic approach, based on self-assessment keeping focus on Quality improvement through comprehensive framework as depicted below;-

1.5 Establishment of QA Directorate:

NUST was among first group of HEIs that opted to join Quality Enhancement program of HEC. NUST therefore established its Quality Assurance Directorate (QAD) in 2005. The organizational structure of QAD has been evolving over the period. Existing QA organogram along with component of International Collaboration is placed Annexure A and B respectively.

Section – 2

Self-Assessment, Accreditation and General QA Policy

2. Implementation of Quality Assurance

The detail of various measures to be taken for ensuring quality at all the institutions of NUST, following activities will be undertaken in accordance with the instructions laid down by HEC and various Accreditation councils/bodies.

2.1 Self-Assessment

To carry out self-assessment and prepare Self-Assessment Reports (SARs) of all the Academic Programs of NUST, HEC Manual will be taken as guide line. Procedure and responsibility of writing of SARs is as follows:

2.2 Self-Assessment Process:

Self-Assessment Reports are one of the most extensive works which is to be performed by the institutions. Each academic program shall undergo a self-assessment every year (assessment cycle). All the head of HEIs are responsible to ensure writing of SAR as prescribed in HEC Manual. DLQECs at each institution are responsible for, coordinating and follow up on the self-assessment (SA) activities.

2.3 Role and Responsibilities of DLQEC:

2.3.1 DLQEC is responsible for:

- a) Initiation of Self-Assessment Process
- b) Review of SARs for completion as per SA Manual
- c) Formation of Assessment Team
- d) Scheduling of AT visit
- e) Receiving the AT Report & Department's Implementation Plan
- f) Verification of the Rubric Evaluation done by AT
- g) Submission of the Executive Summary (along with implementation Plan) to HOI / Rector through QAD
- h) Ensure timely filling of feedback forms
- i) Submission of SARs (hard & soft copy) to Quality Assurance directorate for onward submission to HEC
- j) Follow up of Implementation Plan till its completion

2.4 SAR Writing:

The procedure for writing of SARs is as follows:

- a) DLQEC initiates the SA one semester prior to the end of the assessment cycle through the Vice Chancellor / Rector Office in which the program is offered. However, if the program is undergoing the SA for the first time, the department will be given one academic year for preparation.
- b) Upon receiving the initiation letter the department shall form a program team (PT). The PT will be responsible for preparing a self-assessment report (SAR) about the program under consideration. The team will be the contact group during the assessment period.
- c) The department shall submit the SAR to the LQEC through the concerned Dean. The LQEC reviews the SAR within one month to ensure that it is prepared according to the required format.
- d) The Head of the Institution forms a program assessment team (AT) in Consultation with the DLQEC's recommendations within one month. The AT Comprises of 2-3 faculty members from the university. The AT must have at least one expert in the area of the assessed program.
- e) The LQEC plans and schedules the AT visit period in coordination with department that is offering the program.
- f) The AT conducts the assessment, submits a report and presents its findings in an exit meeting that shall be attended by the DLQEC, Dean, PT and faculty members.
- g) The LQEC shall submit an executive summary on the AT findings to the Head of the Institution.
- h) The Department shall prepare and submit an implementation plan to LQEC based on the AT findings. The plan must include AT findings, and the corrective actions to be taken, assigning of responsibility and a time frame for such actions. Table A.2 in Appendix A of HEC manual provides a format for preparing a summary of the implementation plan.
- i) The LQEC shall follow up on the implementation plan to ensure departments are adhering to the implementation plan. The academic department shall inform the LQEC each time a corrective action is implemented. LQEC shall review the implementation plan once in a semester to assess the progress of implementation and submit the progress to Dte of QA.

2.5 Program Team (PT):

PT is a group of professionals which is nominated by the head of the department.

It is responsible for writing of SAR and acts as a contact/focal group during the period of assessment process

2.6 Composition of PT:

No. of Students in the Program	Program Team
300	1 Chairman & 3 Members
Between 300 to 1000	1 Chairman & 5 Members
More than 1000	1 Chairman & 6 Members

2.7 Desired Skills of PT:

- a) Demonstrate commitment to the principles of quality in higher education and the policies set by the Higher Education Commission of Pakistan.
- b) An enquiring disposition.
- c) Power of analysis and judgment.
- d) Ability to work in teams.
- e) Time management skills.
- f) Experience of organization and management, particularly in relation to teaching and learning matters.
- g) High standards of oral and written communication skills.
- h) Self-motivated and willing to work for quality improvement.

2.8 Responsibilities of PT:

- a) Compiling the report by responding to each criteria/ standards given in the SA Manual and integrating the collected information / feedback
- b) Collecting relevant data on faculty, students, libraries, laboratories and infrastructure
- c) Getting SA Performae filled by faculty, students, alumni and employers
- d) Writing summaries of feedback received through Performae.
- e) Analyzing the feedback and drawing conclusions
- f) Writing a foreword giving brief history of the program, particulars of the PT, date of starting / finalizing report writing
- g) The report may be signed by the convener / chairperson of the program team

2.9 Assessment Team (AT):

AT is a group of professionals who will review the SAR prepared by the PT and give its findings in the form of a report (AT Report)

2.10 Composition of AT:

No. of Students in the Program	Program Team
300	1 Chairman & 3 Members
Between 300 to 1000	1 Chairman & 5 Members
More than 1000	1 Chairman & 6 Members

2.11 Desired Skills of AT:

- a) Demonstrate commitment to the principles of quality in higher education and the policies set by the Higher Education Commission of Pakistan.
- b) An enquiring disposition.
- c) Power of analysis and judgment.
- d) Ability to work in teams.
- e) Time management skills.
- f) Experience of organization and management, particularly in relation to teaching and learning matters.
- g) High standards of oral and written communication skills.
- h) Self-motivated and willing to work for quality improvement.

2.12 Responsibilities of AT:

- a) Check completeness of the SAR as per SA manual
- b) Look at the comprehensiveness / relevance of responses to various criteria and standards
- c) Verify the data / information given in SAR
- d) Confirm the summaries of the feedbacks/surveys made by the PT
- e) Review the conclusions drawn by the PT from the feedback proforma.
- f) List down the findings from the assessment exercise
- g) Carry out rubric evaluation of SAR
- h) Write down the AT report

2.13 Internal Academic Audit

- a. QA Dte plans coordinates and executes periodic internal academic audit of all NUST institutions. Composition of Audit team is as follows:-
 - (i) Registrar
 - (ii) Director QA
 - (iii) Director HR
 - (iv) Director Admin
 - (v) Director Acad
 - (vi) Director PGP
 - (vii) Director RIC
 - (viii) Director Finance
 - (ix) Deputy Director QA (Panel Secretary)
- b. Prepare Internal Audit program at the start of calendar year and disseminate to all the institutions.
- c. Get feedback/self-assessment from the institution as per **Annex-B** and share with the Audit team.
- d. Carry out detailed academic audit of the institution. Scope of university Internal Quality Audit for NUST institutions is placed at **Annex-C**.
- e. During the visit a Presentation by the Institution is given to the panel members. Evaluation of documents is carried out. The panel members carry out inspection of laboratories, classrooms and library etc. The panel members also conduct interviews of students and faculty prior to the debriefing to head of the institution.
- f. After the visit QA Dte gets the feedback from all panel members and prepares Post visit report. The Post visit report is presented to Rector through Pro Rector (Acad). After receiving comments from Rector the report is dispatched to the head of the institution for taking appropriate actions according to the recommendations given in the report. QA Dte keeps monitoring the progress on the panel recommendations, from the institutions.

2.14 Accreditation

- a. Accreditation / Re-accreditation of all UG programs of all NUST institutions are to be processed through QA Dte (AA). It will be institution responsibility to take financial approval of accreditation fee from Finance Dte as prescribed by accreditation council. ACM approval of the program prior to the accreditation request will be mandatory.
- b. Institutions will present all change in scope cases to ACM. After the approval case will be processed through QA Dte (AA) for necessary change in scope visit by the accreditation council.
- c. Institution will ensure that the batches are accredited well before the graduation.

2.15 Procedure for approval of PG programs

For all Post Graduate (PG) programs starting from fall 2013 approval from HEC is mandatory. Cases duly approved by ACM for issuance of NOC by HEC in respect of all PG program of all institution will be routed through QA Dte. To obtain NOC, institutions will prepare the case as per the guidelines issued by HEC. Following documents are to be prepared by the concerned institution. (Any additional information may also be included which HEC may require at any later stage.)

- a. Act/Charter of the University allowing to offer a program
- b. Approval of the University statutory body to start/launch new program
- c. NOC of accreditation council to launch a professional program (if applicable)
- d. Curriculum of program in line with the HEC guidelines
- e. Exact title of program that will appear on relevant degree
- f. Brief Introduction of Program and date of its commencement
- g. Objective to offer program
- h. Scope regarding market, social and employment perspective of program
- j. Entry/ admission requirement of program

- k. Duration of the program and semester-wise break-up of workload/credit hours
- l. PhD thesis review policy (by two foreign experts from technologically/academically advance countries and one local reviewer/committee)
- m. Policy of publication of research papers in HEC recognized journals {only published (not the accepted) papers shall be considered to the credit of PhD scholar}
- n. There is a requirement of appointing full time relevant PhD faculty (minimum two PhDs for launching an MS/MPhil/equivalent program and three PhDs for a PhD/equivalent program). Please provide copies of following documents in respect of each PhD faculty member:-
 - i. Appointment order/notification
 - ii. Joining report along with current status
 - iii. CV along with one recent passport size photograph
 - iv. PhD degree and its translation in English (if required)
 - v. Transcript of grades
 - vi. Equivalence certificate in case of foreign degree (if applicable)
 - vii. Areas of specialization in PhD
 - viii. Copy of CNIC

2.16 Institutional Performance Evaluation (IPE)

QA Dte coordinates between HEC and NUST for evaluation of selected institution/NUST. Relevant institutions and directorates will provide/present requisite data to QA Dte/Visiting Panel. Responsibilities of various directorates are attached as **Annex-D**.

2.17 Membership

Process membership cases with Quality Assurance Agencies/Network on behalf of NUST. Membership fee will be catered for by QA Dte in annual budget, however all the payments in Local Currency (LC) or Foreign Exchange (FE) will be made by Finance Dte. List of current memberships is as follows:-

- a. International Network of Quality Assurance Agency for Higher Education (INQAAHE)

- b. Asia-Pacific Quality Network (APQN)
- c. Association of Commonwealth Universities (ACU)
- d. International Association of Universities (IAU)
- e. The Talloires Network
- f. International Association of University Presidents (IAUP)
- g. Association of Management Development Institutions in South Asia (AMDISA)
- h. United Nations Academic Impact (UNAI)
- j. Inter University Consortium for Promotion of Social Sciences (IUCPP)
- k. Association of Quality Assurance Agencies of the Islamic World (QA-Islamic)
- m. Any other approved by competent authority

2.18 Pakistan Qualification Register (PQR)

QAD will also maintain data of Pakistan Qualification Register parallel with Academic Directorate.

2.19 Continual Quality Improvement (CQI)

2.20 Feedback:

To ensure Continual Quality Improvement (CQI) and to improve the standard of faculty, services and academic programs, multiple inputs (feedback) will be taken from students, faculty and administrative staff periodically. Similarly feedback from alumni, employers and other stake holders are obtained for the improvement of ongoing programs. The detail of Feedback forms is as follows:

- a) Alumni Survey
- b) Employer Survey
- c) Faculty Course Review Report
- d) Faculty Survey
- e) Research Student Progress Review Form
- f) Student Course Evaluation Questionnaire
- g) Survey of Department Offering Ph.D. Programs
- h) Survey of Graduating Students
- i) Teacher Evaluation Form
- j) Faculty Resume

Analysis of feedback from various stakeholders is required for improvement of the respective programs and for making part of SARs. Information & Communication Technologies Directorate (ICT) will be responsible to upload the forms on Campus Management System (CMS), whereas institutions will ensure filling of feedback forms so that ICT directorate can enable and facilitate analysis to the respective institution/directorate for CQI. The content of the feedback forms can be changed by the competent authority are and when required by the institutions.

2.21 General QA related Activities:

To encourage quality related activities of HEIs seminars, conferences, meetings national and international events, etc. will be arranged at university level on regular basis. Record of all such activities will be compiled and maintained at the QA Dte. The Dte will also be responsible to update and maintain QA website. Similarly to encourage the faculty, students and staff various honors and awards are given by government, non-government organizations and international agencies. HEC, Best Teacher nominations, National and International Award cases will be processed through QA directorate.

2.22 National and International Ranking:

To strengthen the culture of transparency and to improve the competition among universities NUST participates in national (HEC ranking) and international ranking like Quacquarelli Symonds (QS) world universities ranking and Time Higher Education (THE). QA Dte will be the focal point for collecting the required data from all the NUST institutions for onward submission to the concerned ranking agencies.

Section – 3

Research Publications

3.1 Preamble:

Publication of research work in the form of books, monographs, articles & scientific research papers and other original works are means by which researchers communicate scholarly outcome and build their reputation among their peers. Publication is a primary basis on which researchers are evaluated for various incentives including employment, promotion and tenure. These publications contribute significantly towards citation of new knowledge, which is one of the functions of a university. NUST Policy encourages, facilitates and financially support, such research activities. NUST is equally committed to presents its strength in national and international scholarly forums on this aspect. Our faculty and students are fully motivated in this direction and have been actively participating and contributing largely through their publications in global knowledge and earning respect and prestige in the international academic cycle. Through this process, NUST hopes to further expand its international network of researchers and scholars that will strengthen these efforts and create alliance for research & education to become a new paradigm of global collaboration and cooperation.

3.2 Publication Section:

Quality Assurance Directorate is also acting as Focal Point for matter pertaining to NUST Scientific Publications. In this regards, the role of the Directorate to promote and enhance publications produced by our faculty and students. NUST policy for publication encapsulating almost all aspects related to facilitating, supporting and guidance to the researchers for publication of their research work. This provides an environment that attracts and nurtures NUST publications output. QA Directorate houses “Publication Section” which, coordinates available resources and opportunities for facilitating our researchers to produce high quality and substantial quantity of publications. As such, a part from contributing to global knowledge base publications remain integral part and parcel of our overall learning process, quality enhancement and earning reputation for our University. The prime responsibilities in this regard include sponsorship for paper presentation in conferences, publication of scientific paper in journals and incentives for higher quality and quantity achievers. The Publication Section also promulgates Plagiarism Policies, provide guidance on plagiarism and maintain academic integrity through the usage of ‘TURNITIN’. The programs listed in proceeding paragraphs encourage, facilitate and financially support faculty members, researchers and students for their pursued.

3.3 Support for Faculty Membership in Specialized Technical Journals and Professional Societies

Faculty members can propose any research society (such as ACM, IEEE, CPSR, etc. or other professional societies) that they desire to be a part of, and scientific journal that they wish to subscribe, for their institution. The university will financially support the provision of these memberships/journals centrally or at institution/department level, if permissible by the publishers, provided that reasonable efforts are made to share the resources among other members of the NUST community. It may however be noted that maximum efforts be made to utilize HEC's PERN facility/Digital Library for consultation of scholarly material.

3.4 Publications in Refereed Journals

It is mandatory for the faculty and postgraduate students to publish technical papers in refereed journals and conferences on regular basis under the name of "National University of Sciences and Technology, Islamabad". Each faculty member is expected to produce at least one publication annually in Impact Factor journals. Similarly, each PhD student will contribute at least two publications in Impact Factor journals. Order of the authors in a publication to be arranged as per their research contribution and students be given preference when publication is based on their hard work. They must also be encouraged to present their research at national/ international forums. Highest credit will be given to publications in journals with high Impact Factor. To encourage faculty for publishing the finding/paper in ISI Indexed Impact Factor journal, publication/registration fee can be provided. Likewise, sponsorship for publication of book and chapter in a book will be made available after evaluating the research work, publishing agency and standing of the publication. Application Form for the same is attached as **Annex-E**.

3.5 Sponsorship of Presentation of Research Work/Paper in Reputed International Refereed Conferences

For the purpose of sharing and nurturing the seeds of research, NUST organizes and participates in international conferences, seminars and symposiums, etc. abroad. These activities foster research and intellectual exchange of information between academia, industry, and other participants. Sponsorship to these events is essential for professional grooming and growth of faculty and students. Eligibility criterion, guidelines and procedure for NUST sponsorship is as follows:

- a) A regular faculty member/research staff and bonafide PG student who successfully submits the results of his/her research work in a

international refereed conference of repute, will be sponsored on acceptance by the university to present his/her work/paper in that conference.

- b) The applicant should have completed six month service at NUST, and has valid contract to continue with NUST. In case of MS/M.Phil student, he/she will only be sponsored for visit to the conference if he/she has already published an ISI indexed (IF) paper, otherwise, they can request for registration fee only.
- c) NUST faculty/research staff/students already abroad on a sponsored program will be considered for registration fee on case to case basis only.
- d) The standing of the conference will be determined by the acceptance i.e acceptance of full length paper and peer review etc. process. If the acceptance of papers is without a peer review and/or on submission of abstract only and for poster presentation, the request for sponsorship will not be entertained. The quality of the article and conference will be evaluated on the basis of following:
 - i. Maturity level of the conference.
 - ii. Acceptance rate (if available).
 - iii. Hosting Agency/Organizers/Event body/Professional Society.
 - iv. Review process and reviewer's comments.
 - v. Indexing of the proceedings.
 - vi. Value of research work/paper and expected benefits viz-a-viz cost involved.
 - vii. Possibility of publication of extended/modified version paper in a valued journal
- e) In case of multi-authored papers the travel request to present paper will only be applicable for the first author unless the first author is not eligible or unable to present due to exceptional circumstances beyond his/her control. In such case, supervisor of the 1st author can be sponsored for presentation in the conference for the paper to be published in proceedings.

- f) The Commandant/Principal of the institution is to ensure that only those requests are recommended for sponsorship which have high value and have strong chances of getting the revised/modified paper published in a reputed refereed journal. The request for sponsoring visit/registration fee in a conference is to be submitted on prescribed form, attached as **Annex-F**.
- g) Faculty member/research staff/PG student may request for sponsoring of the registration fee only for subsequent paper(s) to be published in the proceedings of refereed international conference(s).
- h) Primary professional affiliation of the author with NUST and acknowledgement of sponsorship must be shown on the paper.
- i) NUST sponsorship will depend upon availability of funds in the relevant head and approval of the Competent Financial Authority.
- j) All such requests must be forwarded to QA Dte, Main Office NUST at least 08 weeks in advance for processing and approval. The request must also have the duly filled application forms (as applicable) for alternate sources of funding like HEC, PSF, PTCL and Ministry of IT etc.
- k) All participants are required to submit the conference proceedings/Post Visit report to the institution and the institution will forward it to QA Dte.
- l) Request for second time sponsored visit to a conference would only be entertained, if subsequent to the conference, a paper is published in ISI indexed journal with Impact Factor and one year has been passed from the date of previous conference sponsorship.
- m) PhD student will be required to produce at least two ISI Indexed (IF) papers before the 2nd sponsorship.
- n) Sponsorship for Conferences held within country will be approved by the institutional heads out of institutions' budget.

3.6 Grant of Financial Award for Publication

NUST has always encouraged its faculty, research staff and students to actively involve themselves in research activities. It has been forthcoming in providing financial support and sponsoring the research activities. In this context, encouragement for research publications remains a very important aspect of NUST policy. NUST will also provide cash awards for contribution of its faculty, research staff and students in publication of their research work with NUST affiliation. The request is to be submitted as per prescribed form attached as **Annex-G**. It is a well-known fact that the quality of research publications is judged by the Impact Factor of the journal in which these are published, therefore, in order to further improve the quality of our research publications and align the policy with the latest trends, the following is necessary:

- a) Research publication under the name of “National University of Sciences and Technology (NUST), Islamabad, Pakistan” will only be considered for the award under the policy.
- b) Authors with NUST professional affiliation will only be considered for the award.
- c) Maximum of the first four authors in the order will be considered for the award in a multi-authored paper.
- d) Impact Factor (IF) journal indexed with Institute of Scientific Information (ISI) will be given much higher weightage for the financial award. The ISI official website has several subject categories. The amount of award of the paper will be calculated according to the rank of the journal in the relevant ISI subject category, with respect to Impact Factor in which the paper has been published.
- e) Article published in internationally recognized journals (bearing ISSN, international authorship, editorial board/peer review panel and distribution) which are not indexed with ISI will be given.
- f) A book or chapter published in a book will be processed under this policy on case to case basis giving due consideration to the recommendations and justifications by the institution.
- g) PhD Thesis published in the form of a book will not be considered under the policy.

- h) A text book published for higher education and disciplines taught at NUST will be given higher preference.
- i) Research work published in a journal which is not a full-length research paper i.e. Letter to Editor, Abstracts, Notes, Short Paper/Study, Discussion & Comments, Erratum and Corrigendum etc. will be considered for the award on case to case basis. Such research work will not be counted for promotion.
- j) Article published in ISI Master List, Scopus and NUST Journals will be given award.

3.7 Verification of Faculty and PhD Students Publication:

Publication section will be responsible for verification and vetting of NUST publications produced by our faculty members, researchers and students. It is to keep the record and upgrade the same from time to time. The section may be asked to verify recognition and categorization of journals and publications related to cases for promotions, appointment, equivalence, selection and PhD degree requirements as per **Annex H**.

3.8 Conferences/Workshops/Seminars at Institutions

Each constituent institution of NUST is required to organize at least one national level conference/ workshop/ seminar each year and at least one international level conference/workshop/seminar every alternate year in their respective field of disciplines. During the event, in addition to concerned scholars representatives from various concerned industries, ministries and Services HQs may be invited to attend. Apart from detailed briefing about the institution, the students/faculty members may be given time for presentation of their research work. The participants should also be shown the research work in the area and may be taken around the Labs and Library facilities highlighting the strength of R&D work. The objective is to enhance our rapport with the industry by developing understanding and strengthening industrial linkages and in the process, secure internships/placements for our students as well as sponsored research projects and consultancy services. The grant, on as required basis, to accomplish specific research objectives such as seminars, conferences, training, or to publish awareness building or educational materials be solicited from sponsoring agencies like HEC, PSF etc and in case of additional requirements funds can be provided from NUST Budget.

3.9 Research Ethics and Avoidance of Plagiarism

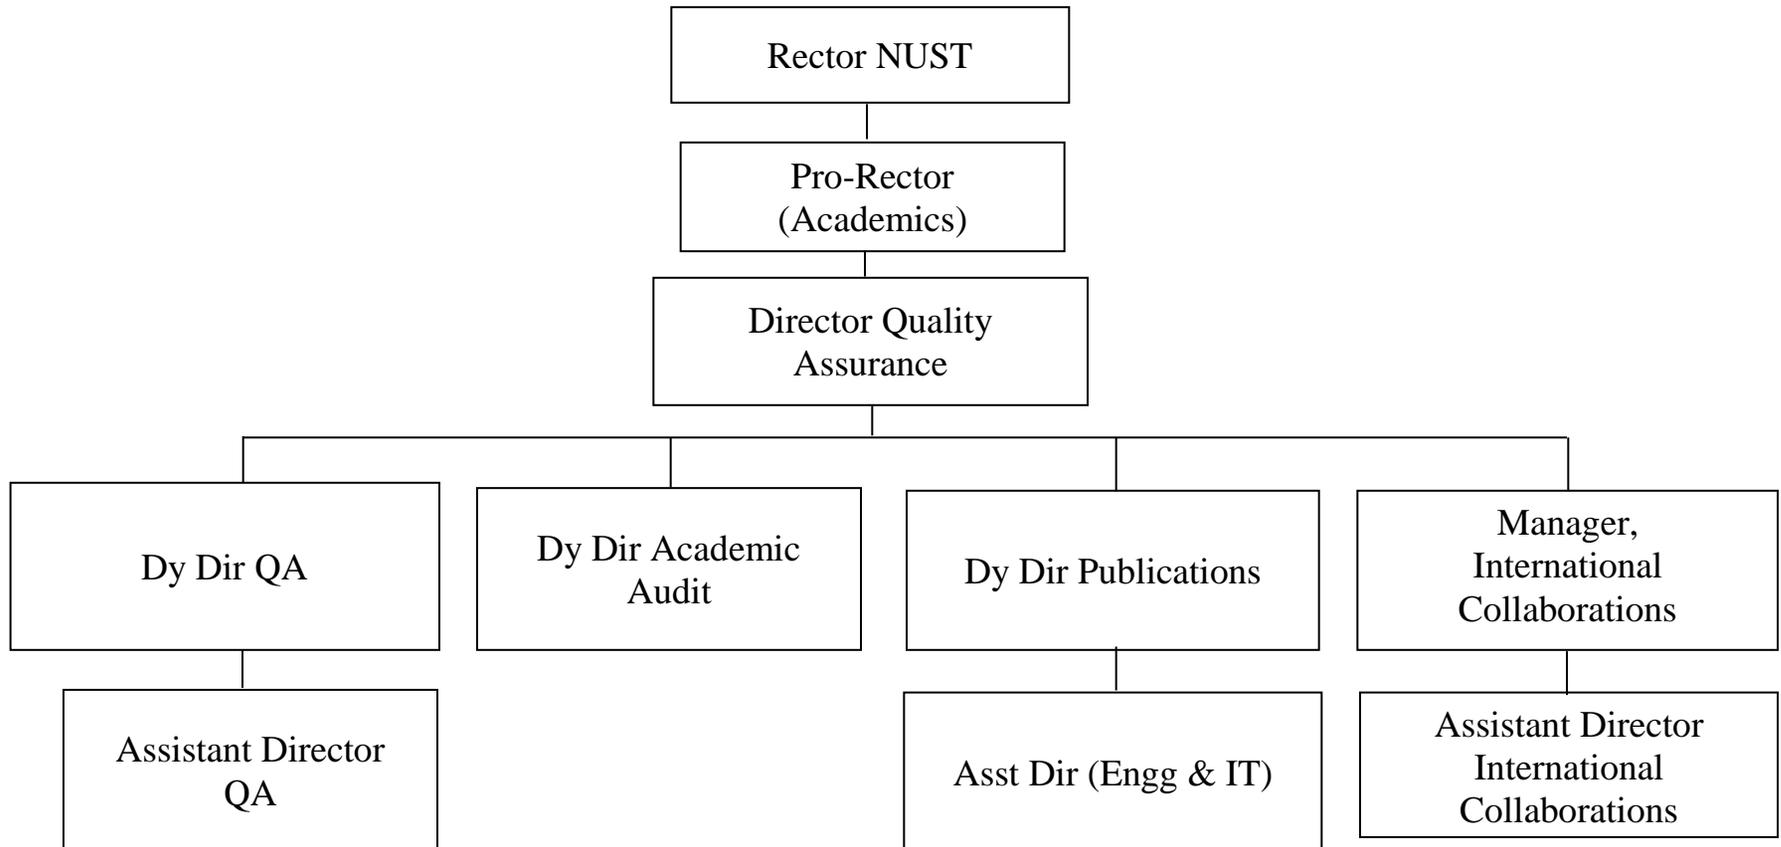

Higher Education Commission (HEC) has formulated a “Plagiarism Policy”, which aims to apprise the students, teachers, researchers and staff about plagiarism and how it can be avoided. HEC Plagiarism Policy is available at HEC website www.hec.gov.pk/QualityAssurance/download/Plagiarism_Policy.pdf. In order to guard against plagiarism in university produced scholarly works and to improve the quality of research, HEC has also purchased anti-plagiarism software “Turnitin” and provided its accounts to Universities. As per the policy on plagiarism, all NUST publications submitted for any conference/journal or published independently as theses, articles and assignments are to be evaluated for plagiarism using “Turnitin” Software. NUST institutions at all level (i.e. Principal/Commandant/Head of Department/Dean/Supervisor/Faculty Member) must ensure that publications or any written materials presented (i.e. reports, papers, thesis, assignment etc) by our Faculty/Students are free from the plagiarism. It is imperative that the cut-paste culture does not take roots in the scholarly works of the University. All must actively guard against such practices and advise others to refrain from the same. All faculty members must open their accounts on “Turnitin” and use software to check all publications. A copy of verified originality report checked through “Turnitin” is to be attached with publications (both conference & journal) whenever these are sent to NUST. Also in case of publications directly submitted for conference/journal publication these reports be verified by school/college authorities. Vigilance on the part of NUST Faculty is necessary to eradicate plagiarism and maintain the good name of the university. NUST has formulated “Standing Committee on Plagiarism and Research Ethics”. The committee will deal with the misconduct cases at the university level in accordance with HEC/University Plagiarism Policies, and code of conduct. In case of absence of local rules/regulations on plagiarism, research ethics and guidelines from best international practices will be considered for resolving the issues and decision making.

3.10 Publication and Secrecy

It is the university policy to support research and the researchers to publish and materialize research results. Researchers shall however not enter into projects requiring secrecy without the specific permission of the Dean / Principal / Commandant. During implementation of the R&D project, if any confidential information has been made available to the investigator/ researcher, the confidentiality of such information is to be protected. For this, the person furnishing such information may require submission of any manuscript for review of comments after deletion of specific items constituting disclosure of such confidential information.
